

Midland County Fair – 2020 Camping Policy

1. Campers may set up their camping vehicles or tents on their lots starting at 6a.m. on the Thursday prior to fair. You are not allowed to plug in to electricity or start camping until 8:00 a.m. the Saturday morning prior to fair. Electrical capacity for campers is limited to available receptacles and your lot is entitled to one receptacle. Do not zip tie or tape your electrical cord to the receptacle until 8:00a.m. on the Saturday prior to fair.
2. Those renting lots are responsible for any legal or illegal activity or other actions deemed unsuitable by the camping committee, such as underage drinking, barking dogs, or excessive noise. No alcohol is allowed outside of the designated campground. This will result in loss of the lot and you will be asked to vacate the lot and fair premises immediately.
3. Be sure to stay within your lot boundaries. This includes slide-out units. You will be required to move your camper if it is parked incorrectly or creates a safety hazard. If you are unsure, please ask the camping committee located at the Fair office during designated set-up hours for assistance.
4. A lot must be occupied with a trailer or a tent that allows occupancy the entire week. A canopy, picnic table, etc will not be sufficient for the lot to be considered occupied. Any lot that is deemed unoccupied by fair management for two consecutive years will be lost and placed in the lottery system. **Camping units must be removed by 3p.m. Sunday after Fair.**
5. You may not sublet your lot to others or allow others to camp in your place.
6. Consistent with the National Fire Protection Agency code, it is recommended that you place your camper hitch towards the road. This will help with access in the event of an emergency.
7. Campers should use an approved fresh water hose when connecting to the water source. You cannot stay connected to the water source during fair. Fill your camper and unhook the hose from the hydrant.
8. No open flames (campfires, fire pits, candles, etc.) allowed in the campground or anywhere on the fair premises.
9. No skateboards, bicycles, scooters of any kind, remote control devices, drones or roller blades are allowed in the campground or anywhere on the fair premises. Motorcycles follow the same parking rules as passenger cars and must park in the appropriate parking lot.
10. No livestock allowed in campground even if considered a pet (i.e., Swine of any kind are to only be housed in swine barn). All other animal species exhibited must be housed in designated facilities.
11. Exhibitor passes are only to be used for delivering supplies. Vehicles with these passes should not be left unattended. Please drop off supplies and return to your regular parking area.
12. Vehicles should park in designated campsite parking lots. The fair issued vehicle parking pass **MUST** be visible in the windshield at all times. Parking rules are in effect Saturday 8:00a.m. of fair.
13. No vehicles or golf cart vehicles are allowed in buildings.
14. Vehicles violating the parking rules may be impounded and a fee may be required for the vehicle's return. Golf carts or ATVs are not allowed to park in designated car parking lots. **NO WARNINGS WILL BE GIVEN.**
15. Golf Cart/vehicle rules, as posted in the fair book, are in effect when the vehicle is unloaded at the fairgrounds. **Golf carts must purchase a permit from the Fair Office and be insured under a policy that provides \$300,000 liability insurance coverage for operation of the ORV on the fairgrounds.** The permit must be displayed on cart and be visible. The written

document of coverage must be submitted when the golf cart is registered at check-in time at fair. See detailed Golf Cart/Vehicle Rules & Restricted Driving Area posted in fair book.

16. No smoking or vaping in any building or within 20 feet of the buildings.
17. The penalty for campers who violate camping rules, golf cart/vehicle rules or vehicle parking rules could be the loss of their campsites and removal from the grounds.
18. The Midland County Fairgrounds assumes no liability for loss or damage to the property brought to the fair. Camper will indemnify and hold the Fairgrounds harmless from any and all loss or damage to camping property, including, but not limited to damage resulting from fire, theft, vandalism, or malicious mischief. Notwithstanding such provisions, should liability be attributed to the Fairgrounds, the limit of such liability shall be the amount of camping fees paid to the Fairgrounds.

I, _____, acknowledge I have read and understand the 2020 camping policy of The Midland County Fair, and by my signature below, I agree to abide by the terms and conditions stated herein.
