3. Commercial bred and owned cattle are welcome to enter the Beef Showcase.
4. Each registered breed will follow their breed's show/registration rules. All animals entered in the breeding classes must be registered by the respective breed association in the exhibitors name prior to entry submission date unless the exhibitor can demonstrate "registration in progress" with the breed association that will produce a registration certificate prior to the show date. Copy of breed registration papers must be attached with the entry form (does not apply to Commercial cattle entries).
5. Market animal class entries - participants must submit a copy of the registration or certificate for the market animal with entry form. (Does not apply to Commercial cattle entries). Market animals will show by weight and must be weighed in by noon Sunday.
6. Prospect beef entries are defined as weaned and castrated calves with maximum weight of 700 lbs. Calves may be a purebred or crossbred beef animal. Prospect beef will be shown by weight and must be weighed in by noon Sunday at the same time as market beef animals.
7. Three entries must be received in a class to make a specific breed; otherwise all breeds will be shown as Commercial.
8. Exhibitors in the Bred-and-Owned categories must be the breeder and the first and continuous owner of the animal entered. "Breeder" is defined as the recorded owner of the dam at the time of service. "First Owner" is defined as the recorded owner of the dam at the time the calf is born.
9. The name listed on the entry form as exhibitor must also be listed on the animal's registration certificate as "Owner".
